**Wilsonville Police, Clackamas County Sheriff's Office arrested 19 people during an April 3 retail crime mission.** During the 10-hour operation, individuals suspected of retail theft and other crimes were contacted as they exited stores. More than 148 stolen items were recovered and five outstanding warrants served.

The mission was funded in part by the Organized Retail Theft (ORT) Grant Program, created by Oregon Senate Bill 900 (2023). Additional missions are planned in the future.

Wilsonville Police hosted a multi-agency truck inspection event targeting vehicle safety violations on April 30, including Molalla and Oregon City Police Departments, Clackamas County Sheriff's Office Motors and Weighmasters, ODOT Motor Carrier Enforcement, Washington County Sheriff's Office, and a special appearance by retired OCPD Sgt. Young.

Officers conducted numerous inspections, uncovering issues such as improper load securement, inoperable lights, and trailer breakaway device failures. The coordinated effort aimed to improve roadway safety through enforcement and education.

Sgt. Jason Ritter received the NorthStar Leadership Award in April, recognizing his outstanding dedication to child advocacy through leadership, action, and vision.

As part of a Public Art Exhibit in Wilsonville, the "Many Cultures, One Heart" project, this beautiful piece was installed outside the Wilsonville Police Office and will remain on display through April 2026. It is one of ten hearts created by Wilsonville students, as well as professional and emerging artists.
