

**Public Notice: SMART Programs for Federal Transit Administration Funding
Proposed FY 2027 (July 1, 2026 to June 30, 2027) Program of Projects (POP)**

SMART is offering three opportunities to submit or present comments at a Public Hearing on the Program of Projects (POP) described in this notice. Opportunity for comments regarding the POP are associated with the City’s annual budget process and will be held at Wilsonville City Hall and on Zoom on:

- May 6, 2026 6:00 PM – Budget Committee - [https://us02web.zoom.us/j/ 88653337091](https://us02web.zoom.us/j/88653337091)
- May 12, 2026 6:00 PM – Budget Committee - [https://us02web.zoom.us/j/ 88653337091](https://us02web.zoom.us/j/88653337091)
- June 1, 2026 7:00 PM – City Council - <https://us02web.zoom.us/j/81536056468>

A staff member will be present at the Hearings listed above and be recorded. A translator is available upon request. *Un traductor está disponible a pedido.* Additionally, comments can be made via email to: klewis@ridesmart.com. If no requests for public comment are received before or at the June 1, 2026 hearing, the POP shown below is the final POP along with the City budget for the year.

Projects listed below show the anticipated maximum expenditures.

Funding Source	Federal Amount	Federal Percent	Local Amount	Local Percent	Total
1. 5307 Formula	\$210,000	80%	\$52,500	20%	\$262,500
2. 5339 Formula	\$247,000	67%	\$123,000	33%	\$370,000
3. STBG to 5307 (Metro pass-through)	\$150,000	89.73%	\$17,168	10.27%	\$167,168

Program Descriptions

1. 5307 Urbanized Area Formula

Project name: Preventive Maintenance and Scheduling Software

Description: For preventive maintenance and transit scheduling software.

2. 5339 Bus and Bus Facilities Formula

Project name: Cutaway Buses

Description: To purchase cutaway buses.

3. STBG to 5307 (Metro pass-through)

Project name: SMART Commute Options and Safe Routes to School Programs

Description: These funds support staff time for the Transportation Demand Management (TDM) Programs supporting commute and safe routes to school programs and focuses on promoting and facilitating transportation options other than driving alone such as walking and biking for business and the residential community. Funding partially supports one Program Coordinator, one Grants and Programs Manager, and one Safe Routes to School Coordinator.
